

*Now with 5th Gen processor

A Pint-Sized Powerhouse

NUC series of administration computing

The NUC (standing for Next Unit of Computing) is the world's smallest computing unit, at only 4 x 4" it fits nicely in the palm of your hand, you'll be amazed how quickly it performs.

Features

Dual rear panel USB 3.0 ports and dual front panel USB 3.0 ports. Mini DisplayPort and mini HDMI port supporting sound. Front headphone/microphone jack.

Our NUC and NUC Pro come with the option of windows 7 or windows 8.1 operating systems

 **Windows 8.1**

Maintenance

However reliable our products are, problems do sometimes arise therefore we can offer support contracts to fit your business requirements. Please see our website www.sharpe-systems.co.uk for more details.
